Adopted: September 10, 2002

Released: September 10, 2002

By the Wireline Competition Bureau:

1. On June 13, 2002, Qwest Communications International Inc. filed a multi-state application on behalf of itself and its subsidiaries, Qwest Corporation and Qwest Communications Corporation (collectively “Qwest”) for authority to provide in-region, interLATA service in Colorado, Idaho, Iowa, Nebraska, and North Dakota pursuant to section 271 of the Communications Act of 1934, as amended, 47 U.S.C. § 271. On July 12, 2002, Qwest filed a multi-state application for authority to provide in-region, interLATA service in Montana, Utah, Washington, and Wyoming pursuant to section 271 of the Communications Act of 1934, as amended, 47 U.S.C. § 271. On September 10, 2002, Qwest filed an *ex parte* letter in this docket withdrawing its applications.¹ Accordingly, we hereby terminate these two dockets. Qwest further expressed its intention to “file a new application soon” with respect to these states, and to request that the Commission incorporate the existing records in these dockets into the new application. We will consider such a request once Qwest files its new application.

¹ Letter from Peter A. Rohrbach, Counsel for Qwest Communications International Inc. to Marlene H. Dortch, Secretary, Federal Communications Commission, WC Dockets No. 02-148 and 02-189 (filed September 10, 2002).

2. Accordingly IT IS ORDERED, pursuant to authority delegated under sections 0.91 and 0.291 of the Commission's rules, 47 C.F.R. §§ 0.91 and 0.291, that the proceedings in WC Dockets 02-148 and 02-189 ARE TERMINATED.
